

Summer Camp 2021

Scribbles provides a fun and safe environment for children ages 5-12 years old, to discover who they are and what they are interested in.

We provide opportunities such as:

- ✓ Exploring with hands-on, inquiry-based learning activities
- ✓ STEM (Science, Technology, Engineering, and Mathematics) activities
- ✓ Dramatic play and discovery
- ✓ Various materials for constructing and inventing
- ✓ Creative arts
- ✓ Social/Emotional. We encourage the development of social skills by allowing children to make choices, work with others and take on responsibility within our program.
- ✓ Interest based field trips

**Field Trip availability based on social distance safety and community availability*

Lunch and Snack provided each day
